Huntington's Erie Band

1915-2008

Early 20th Century Music

- John Philip Sousa and his band were wildly popular throughout the United States.
- The march was popular dance music
- Many cities, industries, and private entities formed bands and orchestras.

Band Mania

- The Armco Steel Band is a famous example of corporate sponsorship of musical groups.

Band Mania

- The Schaff Bros. Piano Company is an example of a local company that sponsored a band.

Railroads

- Steam engines were very labor intensive.
- Service facilities were located every 100 miles.

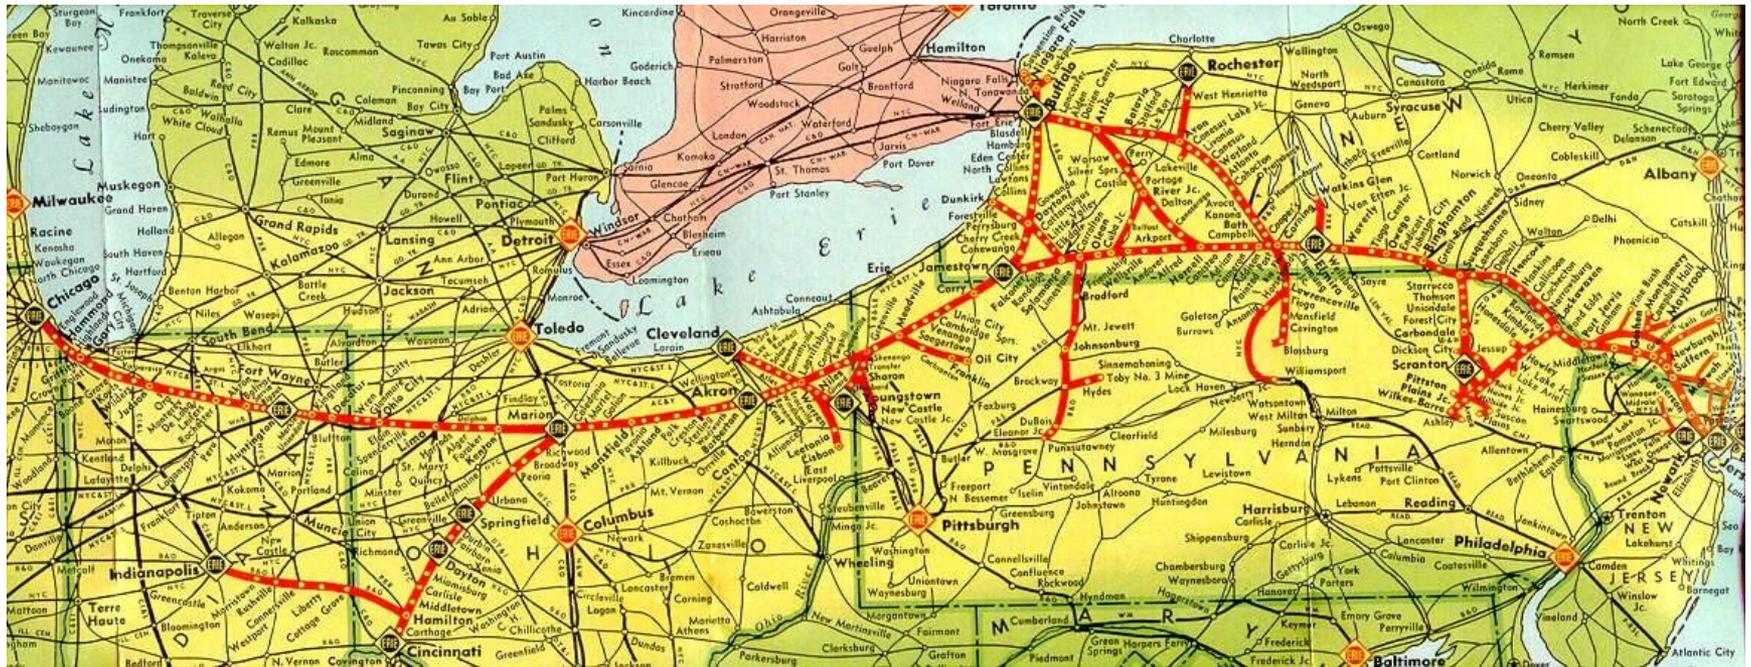

Erie Railroad

- Construction began in 1851
- Built through Huntington in 1882
- Trunk line that ran from New York City [Hoboken, New Jersey] to Chicago [Hammond, Indiana]

Erie System

Erie Railroad

- Construction began in 1851
- Built through Huntington in 1882
- Trunk line that ran from New York City [Hoboken, New Jersey] to Chicago [Hammond, Indiana]
- Merged with the Delaware, Lackawanna, & Western in 1960. Became Erie-Lackawanna

Early Activities

- The Erie Railroad sponsored competitions of various types including band competitions.

Hornell Accounting Bureau Basketball Team, 1925-1926

Reading from left to right, those sitting are: Victor Müller, Raymond Geary, Vaughn Buck and Jimmie Hilton. Standing, left to right: George Kraft, Richard Allen, Egbert Elmore, Francis Cons, Robert Kraft and Manager Fred J. Correse.

Early Activities

- Winning bands were awarded a banner.
- Competitions were held in 1915, 1916, 1917, and 1918
- The 1916 competition was held in Huntington

Early Activities

- 1917 – J.L. Swihart leaves Huntington for Northwestern University
- Jud Miller becomes director of the band
- 1922 – Shop workers launch a national strike in protest of wage cuts.
- Bands along the Erie system appear in support of the striking shop workers.
- J.C Otis, the Huntington band's president, refuses to take sides in the strike and doesn't allow the band to participate in strike related activities.

Early Activities - 1922

- Following the strike the Erie's administration dissolved all bands, except Huntington's and shipped company owned instruments to Huntington.
- Elmer Rahn becomes the band's director.
- Repair shop facilities are moved to Marion, Ohio. Many employees transfer out of Huntington.

Early Activities

- 1927-1935 - The band travels by interurban to Indianapolis to perform at the Indy 500.
- 1929 – The band performs at a Veterans of the Erie Railroad reunion held at Crystal Beach, Ontario, Canada.
- 1931 - The band marched in a parade in Chicago sponsored by meat packers and railroads.
- 1949 – The band performed at the Chicago Railroad Fair.

Conneaut Lake Park, PA

- Huntington's band performed for the annual veteran's picnic from 1935-1961

More Recent Activities

- 1960 - Elmer Rahn retires from the railroad after 40 years, but continues to lead the band.
- 1976 – Elmer Rahn passes away.
- Local band directors Norris Huston, Tom McElhaney, and Marvin Hall share leadership of the band.
- 1979 - Bill Richey becomes director.
- 1987 – Chris Whitacre becomes director.
- 1994 – Thaine Campbell takes over the band.
